Re: VFA, Inc. as Affiliate Under Contract Number 02-110

Mr. Mackel:

We are pleased to announce that VFA, Inc. (“VFA”) has been acquired by The Gordian Group, Inc. (“Gordian”; the “Acquisition”) from Accruent, LLC (“Accruent”) in a restructuring of these entities by our common parent company, Fortive Corporation (“Fortive”). As a result, the products and services included in NCPA Contract Number 02-110 will be fulfilled by separate entities moving forward. The Capital Planning products and services will be provided by VFA, Inc., and the Computerized Maintenance Management System will continue to be provided by Accruent, LLC. Accordingly, we are requesting that NCPA set up a separate website for VFA, Inc. to enable the direct procurement of the Capital Planning products and services by NCPA members from VFA, Inc.

Gordian will ensure the continued and timely reporting of sales made by VFA, Inc. pursuant to the current terms and conditions as agreed upon between NCPA and Accruent.

Gordian’s primary point of contact for this transition will be Jennifer Marshall, who is copied on this communication and can be reached at j.marshall@gordian.com. If you have any questions concerning this correspondence, please feel free to contact me at (864) 752-4545 or a.lesher@gordian.com.

Sincerely,
